On 09/03/17 at about 1640 hours, I was dispatched to an escaped patient on a court hold at Fairfax Hospital located at 10200 NE 132nd ST. Dispatch advised the escaped patient was [REDACTED] who is being treated for hallucinations and has a history of violence and has assaulted staff. [REDACTED] was described as an Asian male wearing a black and blue stripped shirt. I saw person matching this description at the intersection of 108th AVE NE and NE 132nd ST. I contacted the person who verbally confirmed he was [REDACTED] and he had just left Fairfax. Due to his history of assault and violence I handcuffed him gauging and double locked the handcuffs. I transported [REDACTED] back to Fairfax and staff took custody of him.
